For over 16 years, Advance Financial Federal Credit Union (AFFCU) has helped college-bound high school seniors turn their dreams of attaining a college degree into a reality with the AFFCU Scholarship Program. Recipients are selected in recognition of their academic excellence and community support. We believe in the value of education and are proud to offer a scholarship program for our Lake and Porter County communities.

It is our pleasure to announce and congratulate this year's \$1,500 Scholarship winner, Nicholas Anthony Kolanowski! Nicholas is an AFFCU Teen Club member and outstanding student who will graduate from Hanover Central High School.

Besides maintaining excellent grades, Nicholas works a part-time job, is an avid tennis player, Boy Scout and is involved in community and church activities including building food pantries, cleaning yards for the elderly and handicapped and serving meals to the needy.

Hanover Central High School teacher and Business Department Chair, Stacey Daniell,- "I have seen many examples of his talent and dedication and I am impressed by his diligence and work ethic. He is a strong student and great classmate, helpful, organized, smart and compassionate."

Nicholas will attend Trine University this fall where he will pursue a degree in electrical engineering. His goal is to become an electrician. We wish Nicholas all the best in reaching his goals.
